For the remaining characteristics, rate the impact of that factor on the housing needs for each family type, from 1 to 5, with 1 being "no impact" and 5 being "severe impact." Use N/A to indicate that no information is available upon which the PHA can make this assessment.

ATTACHMENT F SHELBY COUNTY HOUSING AUTHORITY STATEMENT OF PROGRESS IN MEETING THE 5-YEAR PLAN MISSION AND GOALS

The mission of the Shelby County Housing Authority remains to promote adequate and affordable housing, economic opportunity, and a suitable living environment free from discrimination. Our goals are:

- To improve the quality of assisted housing by renovating or modernizing public housing units.
- To provide an improved living environment by implementing deconcentration measures.
- To ensure equal opportunity and affirmatively further fair housing by undertaking
 affirmative measures to ensure accessible housing to person with all varieties of
 disabilities regardless of unit size required.

We feel that progress is being made to accomplish the mission and goals of our plan. We have done substantial modernization at Project TN095-3. Our Annual Plan is based on the premise that if we accomplish our goals and objectives we will be working towards the achievement of our mission. We have adopted a Deconcentration Policy to increase the racial mix in the developments and do not discriminate against any family in the housing authority or on the waiting list.

The plans, statements, budget and policies set forth in the Annual Plan all lead towards the accomplishment of our goals and objectives. Taken as a whole, they outline a comprehensive approach towards our goals and objectives and are consistent with the Consolidated Plan. We are committed to improving the condition of affordable housing in Shelby County. Some highlights of our Annual and Five Year Plan are to continue to renovate and modernize dwelling units at Project TN095-3 in the first year and improve the physical condition of each development throughout the following 5 years.
